**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I subscribe to Sonic Internet Service. Sonic relies on UNE's to compete in the residential market place.

I oppose the petition of ATT and Verizon.

I and many of my elderly friends are struggling now to meet the increase in many of the things we need. A price hike in our internet service would just add to our struggle. Our computers are a way of keeping in touch with friends and family. To give it up because we can't afford it would make our lives even more lonely.
